Dear Bonnie,

Well kidda I have really enjoyed going to school with you this year. Remember Halloween nite really kind of stupid isn't it. But oh well it was fun. I will never forget our cheerleading we have really had some good times together. Remember the night of the Merry go- round the first time we wore our suit. I sure hope next year you get cheerleading because you really are a neat cheerleader (HA HA) just kidding. Well I don't think I can fill up this page but be good this summer and try to keep out of trouble (O.K. Ok)

Well good luck to a real cute kid and behave yourself.

Love,

Charlotte

Its really been fun having you as a pal from Freeman this year. I sure wish we could go to school together, whether at Freeman or Fairfield. ^oo I'll always remember our good times together: particularly that time you, Ken, Fred, Andrea, & I went bowling & you and Judy drove all the way home. Also Rainbow meeting, after school, etc.

I'd also like to wish you all the best of everything I can wish (and that isn't much I might add) I know you can succeed in anything you try to do. I hope the future we can remain good friends even though we're going to different schools cause we can always communicate through Sharon or Lynn.

Dear Bonnie,

Here's wishing you all the luck and happiness in the world. We have had a lot of good times together, but we could have had a lot more fun if we were going to school together. Just wait until next year when we both get our drivers licenses. Won't that be a blast!! Just think we only have three more years of high school left. It doesn't seem possible. This year has just flown by. It has been a big, big blast all year.

Be good to the boys and have a ball this summer just like I am going to.

As Ever,
Judy

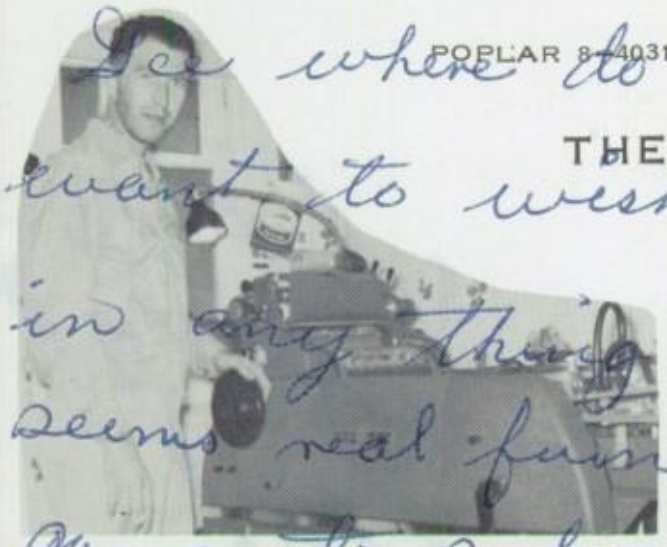
Hi Bonnie



See where to I start. First of all I want to wish you the Best of Luck in any thing you attempt. It sure seems real funny (odd) that we aren't going to school together this year after eight long, happy years of grade school, although we did have some little arguments. Always remember the loads of fun we have had when we had stayed at each others houses or stayed after school. Also always remember the fun we had in band and after school with Carol Rae, you & I making pom-poms for the big ballgame and eating in the cafe.

We are almost Sophmores and have been able to share our first year of hi together, oh well that's life. Have loads of fun, but be good. Take it easy on all the poor Cha has Boys at Freshmen. May God bless and keep you always.

With Love and Kisses,

Sandy W.

Dear Bonnie,

Hi !!! If I completely fill this page up, it will be a longer letter than I have ever written.

We have gone to school together for nine years and still can be proud to say we've never had more than an argument.

From as long as I can remember we've been "best friends" to each other. Lets hope we can continue to be, as long as we live.

Lots of good times have been had by the two of us. Some I remember most are going to 4-H camp, spending Sundays roaming Latak's streets last summer and one of the most fun was being with you on dates. Honestly you are the life of the party!

I'm wishing you the most of everything in life. Don't let problems get you down just always face right up to them.

We are going to be a couple of the only kids graduating in "1962" (we hope) together. It will seem kinda odd not having all our old buddies with us.

It seems funny writing to you.

Bonnie I hope we'll always be friends

Love,

Andrea

P.S. Be Good

(as if you weren't always)
